Lottie Moon

Missionary and WMU pioneer

By Selah Ulmer

Every Christmas season, WMU® promotes a denomination-wide offering for those serving with the International Mission Board, using 100 percent of the funds collected for missionary support. This offering has impacted thousands of missionaries and is significant because it is named for Lottie Moon, a remarkable missionary and WMU pioneer.

Coming to Christ

Charlotte "Lottie" Moon was born into a wealthy Southern family in 1840. Though her mother was a devout Baptist, Lottie was not converted until adulthood. For many years, she was a skeptic, due in part to her older sister Orianna's influence. Orianna was one of the first women to graduate from medical school in America; she was incredibly intelligent, politically progressive, and intensely cynical of religion.

While on a trip to the Holy Land in the spring of 1858, Orianna's eyes were opened to the gospel, and she returned home a believer in Jesus. God used Orianna to speak into Lottie's life, and by winter of that year, Lottie also came to know Jesus.¹

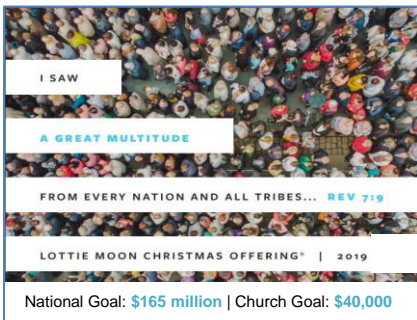

Lottie was highly intelligent and one of the first American women to earn her master of arts degree. While in school, the desire to serve overseas began to grow in Lottie's heart. She was ready to go immediately, but the Lord had her wait. She worked as a teacher and a nurse during the Civil War, trusting God with her desire to go overseas. Finally, on September 1, 1873, she boarded a boat and set sail for China.²

Serving on the Field

Lottie was accompanied by another one of her sisters, Edmonia, and other women and men who shared the call to missions. Upon their arrival in China, they quickly realized there were great challenges to the missionary life, including political unrest, severe loneliness, debilitating famine, and funding needs.³ Edmonia eventually returned home, unable to take the pressure and hardships of life on the field.⁴ Lottie faithfully continued in her call. She taught in schools, traveled to many villages, planted churches, cared for children, and advocated for woman-to-woman discipleship.

While on the field, Lottie communicated frequently with Southern Baptist women. She was vocal about the difficulties of the missions field and challenged

Church Offering: \$2,390

**Golden Offering for
Tennessee Missions**
Church Offering: \$7,920

**Lottie Moon Christmas Offering
for International Missions**
National Goal: \$165 million
Church Goal: \$40,000

Exciting things are happening at Dodson Elementary! We started our 2019-20 **Good News Club (GNC)** on Thursday, September 5. Each Thursday afternoon we meet with 18 children to share Bible stories and the gospel of Jesus Christ. We just completed our study of Peter and have begun our next six-week study of Joseph. Each week the children have a snack, share whether they completed their Jesus and Me (JAM) sheets for each day, hear a story, learn a memory verse, and have great fun and competition in a review game. While several of the children regularly attend church, approximately half do not attend church anywhere. We are excited to share Jesus with the children as well as with their parents during pick-up time, as we have opportunity. We are definitely on the front lines of sharing the gospel in the public school setting and are grateful for the opportunity. Please be praying for continued open doors for GNC.

Our **Father's Heart** ministry remains active this year. So far this school year we have assisted one GNC family with a crisis need and have purchased coats for children who need one. We coordinated with two Sunday School classes who also donated new or gently used coats. We love to provide warm coats for these children who have none to wear during the cold winter months.

There is always a need for classroom volunteers. We are also looking for ways to bless the teachers in various ways. Nancy Andrews currently enjoys serving as a classroom reader with **Book 'Em Reading is Fundamental** where she reads to a classroom five times during the school year and allows each child to pick out a book for their very own at each reading event. The children are always very excited to hear the stories and to pick out their books. Many children do not have books at home, and this is a very easy way to encourage reading and literacy.

If you would like to get involved with the ongoing opportunities at Dodson, please contact either Pastor Eric or Nancy Andrews.

Let's Learn English Together

By Carmen McCreary

We have been so excited to have two new teachers this semester! This has allowed us to provide three consistent levels and potential growth based on our students' needs. We have twelve students enrolled!

After an hour of the student's main class we have a group activity. Please continue to pray for Gospel conversations during this time of sharing and learning about the Bible as we get closer to Christmas and to pray for more volunteers.

We are continuing to look for volunteers or teachers. Volunteers are helpful for assistance in main classes and can come based on when it fits best for their schedule.

If you are interested in meeting some of our students, **come to our Cookie Party December 4 from 6:30-8pm in room 107.** Contact Carmen for more details.

Operation Christmas Child

By Janet Konig

As a part of **The Samaritans Purse**, Operation Christmas Child is in full swing in churches everywhere including TGBC since early October. Shoeboxes are being filled with expressions of love for children less fortunate all over the world. The deadline for returning shoeboxes at TGBC was Sunday, November 17. "The amazing journey of these shoeboxes begins with each one of us and ends in expressions of evangelism, discipleship and multiplication."

Blessings to each of you as you have so freely given.

Room in the Inn

By Janet Konig

Room in the Inn is excited to begin its winter season in January! With the loss of coordinators and volunteers since our last season, we are happy that coordinators are now in place and many new volunteers have stepped forward to serve. God has blessed this ministry beyond measure in years past, and we have no doubts He will continue to bless it even in periods of drought and rebuilding.

There are still opportunities to serve with Room in the Inn if God is leading you to minister to men of the homeless population in Nashville. Blessings to you as you serve

In His Grip

By Joey Hickman

In His Grip attendees this year have been in the Word (Bible study) for over 97,000 total minutes! Our adjusted goal for 2019 was set at 100,000. We should reach approximately 125,000 by the end of the year. The **First Annual In His Grip Pro-Am** will be played December 7-12 at Pebble Beach, CA. Proceeds from the event will benefit the ministry.

In 2020, In His Grip will be launching an **app for smartphones**. We will add content daily including devotionals using golf tips interlaced with the Gospel, calendar of our GRIP Bible Study locations, ways to connect with the ministry and a link to our merchandise concession,

Also in 2020, the **Honors/Council Fire Pro Am** in Tennessee will be sponsored by In His Grip. A very kind business has made an in-kind donation to name this event in our honor. We will reach 60 teams of four in this event from across the state with the message and purpose of In His Grip **to reach men, grow them in their faith, teach them to lead their families and duplicate by doing this for others.** "Play with passion and Live with purpose" is our theme to help us reach men for Christ.

Pregnancy Care Center

By Desha Hearn

The Pregnancy Care Center appreciates the faithful support and partnership in ministry of TGBC! There are so many ways you are a blessing to us from **monthly car seat donations**, to the **one-on-one investment in our client(s) lives**, to **bottles full of change**, **prayers lifted up**, **volunteer hours**, **faithful giving**, and so much more!

The Center is once again in a period of rapid growth. God is growing our influence and expanding our territory. As of 10/31/19 we have facilitated over **1,000 client visits** (a 37% increase YTD from last year), with 248 of those visits being first time meetings with people needing our services (a 67% YTD increase in NEW clients)! Our volunteers and staff have provided **over 200 pregnancy test/decision consultations** and **over 665 parenting lessons**. This year we have added **on-campus services at Hillsboro High School** and have begun leading a **healthy relationships club in one of our local middle schools**. People are experiencing the love of Christ and learning about hope in Him on a daily basis!

As we look towards 2020, we ask you to join us in prayer as we consider new ways God may be leading us to grow. Thank you for your trust in us and for your support.

2019 NBA TOY STORE
Providing Help to Our Neighborhood Families
The Toy Store provides free holiday shopping for families who meet eligibility and income guidelines.
Gifts provided for:
Infants ages 0-3
Boys and Girls ages 4-11
Teens ages 12-18
Stocking stuffers for all ages
The Toy Store is open for appointments December 9-12, 2019 8:30AM-3:30PM

Women on Mission Sisters

By Renee Mathis

WoM Sisters October cooking group with Rest Stop Ministries

WoM Sisters provided another cooking group at **Rest Stop Ministries** in October to make shepherd's pie, Asian salad, cornbread, mixed berries, peanut butter cookies, and homemade ice cream! We continue to be blessed by serving with this ministry. Upcoming cooking groups are scheduled Sunday Dec. 22 2-5pm, Saturday Feb. 22 3-6pm, and Saturday Apr. 25 3-6pm.

Our September meeting focused on **Tennessee Disaster Relief (TNRD)**. Our group collected gift cards for TNRD. We also took 25 empty backpacks provided by our daytime WoM group to fill for **TBMB's Christmas Backpack** project and returned the filled backpacks in October. They were delivered to the TNRD Missions Mobilization Center in Mt. Juliet to be distributed to children in poverty in Tennessee. TGBC WoM, GA, RA, and Mission Friends families provided a total of 35 filled backpacks for this mission project. TBMB collected 4,915 backpacks during the three-day collection period toward their goal of 5,000!

At our October meeting we learned about **Operation Amalia in Guatemala** and took a collection that will provide much needed infant vitamins for the 15 babies living in the dump in Jalapa Guatemala for almost 8 months.

In November our meeting was at the **Baptist Global Response** office. We learned about their global disaster relief and community development work in partnership with the SBC and IMB. We packed 12 BGR Disaster Relief Kits at the meeting and took a collection to provide 12 additional kits.

WoM Sisters will not meet in December. Everyone is encouraged to support BGR by providing farm animals in the **BGR Gift Catalogs** located throughout the church and online at gobgr.org/gift-catalog.

The January 7 WoM Sisters meeting will be at the home of Brenda Sutherland with speaker Dr. April Jones. She is the author of **No Mess, No Message: Finding Strength in Struggle and Purpose in Pain** about "a young mother who battled her two-year-old son's cancer while getting her doctorate. Her struggle to make the heart wrenching decisions with her family led to a discovery of God, courage, and a happiness within that helped her transform scary misfortune into a joy-filled life." Her son Tyler is a good friend of Andrew Mathis and is now 18 years old.

In February, WoM Sisters will meet at **Begin Anew's Madison campus** Monday, Feb. 3, at 6pm to provide a **Valentine Party for the children** of the men and women taking classes to improve their skills and find better jobs. Begin Anew's mission is to empower individuals in Middle Tennessee to overcome obstacles caused by poverty by providing education, mentoring, and resources. For more information, visit their web site at www.beginanew.org.

Women on Mission is for all women 18 and up. **Join us the first Tuesday night each month 6:30-8pm** as WoM Sisters create multigenerational bonds where doing life together for His kingdom is our desire as we live out His mission!

Get-Together and Connection

Experience personal growth by choosing from 30+ breakout conference topics from spiritual renewal, prayer, leader development, meet missionaries and learn how they answered God's call, and more.... **Engage** in meaningful worship and surrender to the Holy Spirit through congregational singing, personal testimonies, prayer, and powerful messages. Be radically challenged in how to be involved in God's mission... **Discover** missions and ministry opportunities through our missions fair with 50+ vendors, and participate in the Silent Auction that benefits the Tennessee Touch Tomorrow Today Endowment at the WMU Foundation... **Be Radically Challenged** to grow and be involved in the mission of God... **Enjoy** the fellowship of other Christian women and girls across Tennessee and surrounding states.

Women's Ministry

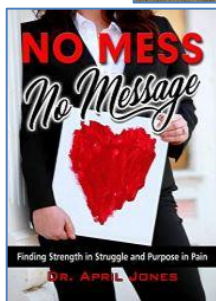

TGBC's Women's Ministry is reorganizing for 2020 under the new leadership of co-coordinators Hallie Gipson and Hannah Clark. The Women's Ministry Vision is "to raise up biblical women, rooted in the Word, for the glory of the Lord. Our goal is to accomplish this through prayer, Bible study, missions, discipleship, and outreach" and "for TGBC women to Learn the Gospel, Live the Gospel, and Love the Gospel."

Women on Mission serves as the missions component for women and will be shared under the joint umbrellas of Women's Ministry and WMU. WMU is the umbrella for Women on Mission, Youth on Mission, Girls in Action (GA), Royal Ambassadors (RA), and Mission Friends organizations. Women's Ministry encompasses Mother's Day Out (MDO) Outreach, Women's Theology Night, Hospitality, Resources (i.e., Bible Studies), Prayer, and Women on Mission.

The 2020 Women's Ministry calendar is being put together now. Watch for church announcements about upcoming events!

WoM Sisters packed 12 BGR Relief Kits and funded 12 more!

RSVP for the January WoM Sisters meeting... Author Dr. April Jones will share about her book **No Mess, No Message**.

www.tnbaptist.org/gtcon2020

Oct. 4-6 23 women from TGBC attended the Women of Joy conference in Pigeon Forge with 6000+ other women!

Women on Mission Daughters of the King

By Charlotte Maynard

Our daytime Women on Mission group has a new name – **Daughters of the King!** This group was named The Celebrators several years ago in reference to the annual celebration experiences the group hosted at that time and the many blessings we celebrate on a daily basis. To identify our current group, Daughters of the King reflects our desire to serve Christ as our King as we are His hands and His feet serving others. This supports WMU's objectives to pray for and give to missions, do missions, learn about missions, develop spiritually toward a missions lifestyle, and support the work of the church and denomination as well as TGBC's objectives to Love the Gospel, Learn the Gospel, and Live the Gospel as we instill a missional lifestyle for Christ our King in women.

Welcome to Donna Davis, Mildred Dunaway and Lorene Herman, newcomers to our WoM ministry. We are so very glad to have you come along side us in missions.

Praise for the **39+ Bibles** WoM Daughters of the King donated in October to be given to veterans. They were so very appreciative!

Over 35 filled backpacks were delivered to the Mission Mobilization Center in October for the **TBMB Christmas Backpack Project**. Our WoM Daughters were so very faithful to donate 50 backpacks in September for this project. They were given to WoM Sisters, GA, RA, and Mission Friends families to fill with lots of wonderful items for Christmas and then returned to be donated.

Pat Ayres and **Carolyn Dudley** shared in September and October about their many mission experiences over the years. The **GALE family** shared in November about how God has used them in His mission field in Africa. Two **Begin Anew** families were excited to receive many food items and a devotional book that WoM Daughters donated at November's meeting to fill two Thanksgiving baskets. Thanks ladies for your outpouring of love!

WoM has blessed so many during the years. These ladies are very giving and hard working. We would love for you to **join us the second Monday of each month at 10 AM in Room 100** and learn how God can use you as we work in His mission field.

Craft Ministry

By Charlotte Maynard

God has continued to open doors for us to bless others through making hats, lap blankets, scarves, baby blankets, etc.

Women on Mission donated 39 Bibles to this ministry to be taken to the **veterans** and passed out. Thanks to Barbara Schrader who found out about this need. This month we will also be able to bless them with lap blankets and hats.

The **Sarah Cannon Cancer Center** received lots of drain bags and hats from us this past month. They were so very appreciative! They are in need of lap blankets, hats and scarves for their patients also.

Our group made 125 hats that were taken by Phyllis McElhiney to give to the **Life Recovery Center** for Christmas. We feel honored to be able to help.

Moms-to-be at Tulip Grove have been blessed as well as moms in our **Mother's Day Out** program with baby blankets for their little ones. Linda Sharp keeps us updated on the needs there, and we are very excited to be able to help out.

Come join us each **third Monday 10am-2pm in Room 223** to work on lots of different items. If you don't know how, we can teach you. Hope to see you at our next meeting!

Homebound Ministry

By Charlotte Maynard

We welcome Christie Alexander who joined us this past quarter. She will be a great asset to our ministry team. **We have added several to our homebound ministry list and are in need of YOU to help.** Cards and stamps are provided to our team members. We send birthday cards and encouragement cards to bless these wonderful ladies and gentlemen. They also love visits from us throughout the month. It is wonderful to hear their stories and listen to them talk about their lives.

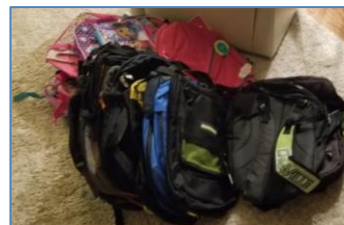

Come join us and be a blessing. **Our next meeting is November 22 in the Conference Room at 5pm.** You will be blessed!

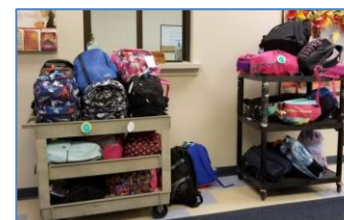

Carolyn Dudley shared about her mission trips.

IMB Missionary from the GALE family shared about serving in Africa.

WoM Daughters of the King collected 50 backpacks over the summer for TBMB Christmas Backpacks. 35 were filled by TGBC WoM Sisters, GA, RA, and Mission Friends families. 4,915 backpacks were collected in Middle TN toward their 5,000 goal!

WoM Daughters of the King donated 39 Bibles to be given to veterans.

Craft Ministry trip to visit veterans

Jane Scott shared with Mission Friends about her trip to Russia.

Mission Friends

By Linda Sharp

September Mission Friends enjoyed a presentation from Jane Scott about her trip to **Russia**. She brought in MANY wonderful items for the children to see.

In October, Mission Friends learned about missionaries serving in **Kentucky**. Those missionaries hosted carnival events to tell people about Jesus. Our Mission Friends enjoyed playing some carnival games themselves, as they talked about this fun way to share God's love with others.

November lessons were about missionaries in **New Orleans**. While our Mission Friends learned more about them, they enjoyed eating jambalaya (prepared by Bridgette Leonard), wearing Mardi Gras beads, and making Mardi Gras masks.

Mission Friends learned about KY missionaries hosting carnivals.

Girls in Action and Royal Ambassadors

By Kathy Fields

In August our GAs studied about the refugees that are pouring into **Greece** from the Middle East. We studied about the missionaries and helpers at the Refugee Center. We had an awesome video about how God is working among the refugees through Christians, dreams, and events to bring them the Good News! We were able to Skype with Lauren Brewer, a young lady from Mt. Juliet who was a GA and now is a medical student at UT Memphis. She just returned in August from the Refugee Center in Greece! GAs got to hear her tell about her experiences and what she did first hand. The girls were able to ask her lots of questions afterwards.

In September the GAs had fun learning about missionaries in the "Land Down Under—**Australia**." We also studied about the Golden Offering for Tennessee Missions and learned how we could help by giving money to help fund programs in Tennessee for refugees, new church startups and revitalization, summer camps, and programs like the **TBMB Christmas Backpack** donation, in which our church participated to help impoverished families in Tennessee, many of which do not even have running water. Also in September, the GAs and RAs were invited to a **cookout at the WMU missionary house**, known as "Mary's House," that Tennessee WMU built on John Hager Road near the Missions Mobilization Center (MMC). The GALE family, missionaries from Africa, are currently living in the house during their six-month stateside assignment and hosted the RA and GA families for hotdogs, sides, and s'mores. The kids were able to do activities, see pictures, and hear stories about life in Africa and reaching people for Christ in a mostly Muslim area.

In October we studied about Associational Missions in **Kentucky**. We learned about how an association of churches within an area can cooperate to help each other. We also had an Emphasis on **World Hunger** and on **Baptist Global Hunger Relief**, an agency that works with BGR to help with hunger relief on a global scale. We made cards for **Love on the Homeless** and for our church staff this month. We were also busy with our **TBMB Christmas Backpack** collection. Our RAs and GAs placed Bibles and the Christmas Story into the filled backpacks that our WoM Sisters, GA, RA, and Mission Friends families filled and returned and labeled them with colored ribbons for gender and age based on the contents. We then took them to the gym to store them to be delivered to the MMC collection site where they will be distributed to children in poverty in Tennessee.

In November we studied **Send Relief** and learned about adoption and foster care. We learned about the Ross family who are helping with planting churches in **New Orleans** and who have fostered and adopted two children along with their other four children. We will also be studying about international missions and the upcoming **Lottie Moon Christmas Offering** that will help our Southern Baptist missionaries and churches all over the world. We will then be working with adults as we put together bicycles/tricycles for donation to the **Nashville Baptist Association's Toy Store**.

In December we have a very short month but will manage to squeeze in making fruit baskets for our own **homebound members** and having a **Christmas party** for the GAs and RAs.

In January we will learn about "**One More Child**." In February our unit is about **Cambodia**, and we will be looking ahead to celebrating **Valentine's Day** and the **Annie Armstrong Easter Offering for North American Missions**.

Mission Friends ate jambalaya and learned about New Orleans missionaries and Mardi Gras.

GA/RA Cookout at the WMU Mission House...

TBMB Christmas Backpacks...

those in the States to provide better support for missionaries. Her determined and insistent push for improvement was a pivotal factor in WMU's formation. Lottie also inspired WMU to take up an offering to support international missionaries. This began when Lottie refused to take her much overdue furlough until missionaries were in place to continue her work. She pleaded with WMU to raise the money to send two people to take over in her absence. WMU delivered, raising enough money to send three people to relieve her.⁵ The 1888 fund-raiser was such a success that WMU continued to take it up every year, eventually developing into the Christmas offering we collect today.

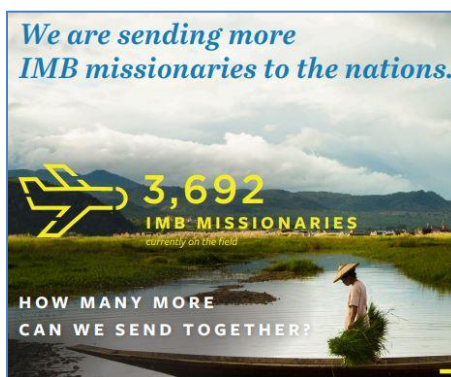

Lottie served on the field faithfully, sacrificing her home, energy, and even her food for the sake of others. She gave her life for China, ministering there for almost 40 years until her death in 1912.⁶ Five years after Lottie died, WMU's fund-raiser for international missions was named after her.⁷

Advancing His Kingdom

As you prepare to give to the Lottie Moon Christmas Offering[®], reflect on the ways God used Lottie and ask Him how He wants to use you. The same God who used this tiny woman (she stood only 4 foot, 3 inches) in the 1800s to advance His kingdom is ready to use you too.

Charlotte "Lottie" Moon

International Missions Speaker

By Renee Mathis

Former IMB missionary **Heather McAfee** will speak for our International Missions Emphasis Sunday, Dec. 1, in our evening service. She and her husband Mike served for 12 years in West Africa.

Heather spoke recently at the Baptist Women's World Day of Prayer and shared about the importance of the Lottie Moon Christmas Offering to their work. She also explained how the close partnership between IMB missionaries and Baptist Global Response enabled them to build relationships with the people they served. You don't want to miss her moving testimony!

Baptist Global Response

By Renee Mathis

Baptist Global Response (BGR) is a disaster relief and community development organization with a heart for helping people in desperate need. BGR seeks to demonstrate the love of God so that people in need have the opportunity to experience the full and meaningful lives God created them to enjoy. Their desire is to see people live their lives with hope and peace, inspired to raise their families in confidence, build their communities with dignity and share this life with others.

BGR undergirds the work of Southern Baptists worldwide and responds to people with critical needs, whether those needs arise from chronic conditions—like extreme poverty, contaminated water, or endemic hunger—or acute crises—such as natural disaster, personal trauma, or social upheaval.

Our church is encouraged to support BGR by providing gifts in the BGR Gift Catalog this Christmas. Several catalogs are available through the church, and it is also available online at gobgr.org/gift-catalog. Gifts include farm animals such as chickens, pigs, lambs, fish, rabbits, and cows that allow our IMB missionaries to minister to the people they serve using agriculture to educate them to be self-supporting. BGR also uses your gifts to help dig wells to provide clean water and disaster relief kits to disaster areas such as those affected by Hurricane Dorian.

To learn more about Baptist Global Response, visit their web site at gobgr.org.
