## 2018-19 TENNESSEE MISSIONS EMPHASIS

*Pursue* **THE ONE**  
Philippians 2:2

*"Make my joy complete by being of the same mind, maintaining the same love, united in spirit, intent on one purpose." (Philippians 2:2)*

Our theme for the Week of Prayer for State Missions is "Pursue the One". Who or what are we pursuing? We should follow the Lord and His will. We are included in God's plan to reach others with His love. Are you being intentional and making a difference for Christ in the lives around you?

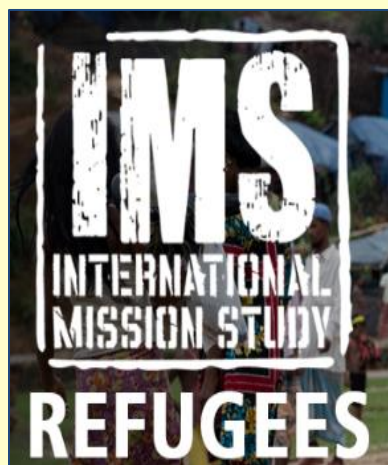

God has placed us in Tennessee; it is our mission field. We cannot neglect the lost around us. How are missionaries in Tennessee making a difference one life at a time? Learning how to serve others with needs is a way of demonstrating God's love. God wants all to know of this love and He wants to use us to tell them of that sacrificial love.

Giving to the Golden Offering for Tennessee Missions (GOTM) helps provide invaluable financial support and sustain ministries in Tennessee. Pray and ask God to show you what you can give to this offering so the lost in Tennessee can be reached with the Gospel.

This quote by Billy Graham speaks to our spirit being united with God's purpose: "The only cause that is big enough to satisfy the yearning of our hearts is the cause of Jesus Christ. We can each have a part, using the unique gifts and opportunities God has given us."

Will you be intentional in love and pursuit of the lost by sharing Jesus? Our mission field is Tennessee! Share your joy in Christ today with one who is lost.

The Week of Prayer for State Missions is September 9-16. The GOTM prayer guide will be available in our church bulletins. The state goal for the Golden Offering for Tennessee Missions is \$2,100,000, and our church goal is \$11,000.

## **Kentucky Mission Trip**

**By Nancy Andrews**

**Dates: October 17-21, 2018**

Our team will be traveling to Cumberland, KY October 17-21. Our main project will be taking blankets and hand-made hats to those in need. We will also be providing a free meal to all who come for a blanket. Other projects will be done as requested in support of missionaries at Club 180 Ministry and Rivers Edge Church. We will be holding a blanket drive beginning in mid-September to collect blankets to take with us. We will announce collection points soon.

There is still room on this team. If you would like more information, please contact Nancy Andrews at [nma0626@tds.net](mailto:nma0626@tds.net).

## **Dodson Elementary**

**By Nancy Andrews**

We are excited for the beginning of a new school year and the start of a new Good News Club at Dodson Elementary. The GNC will kick off September 6 and will meet every Thursday afternoon throughout the school year. Please be praying for the students who will join the club and for their families. Please also pray for the volunteers as we share the gospel with the children of Dodson.

Opportunities are available to volunteer at Dodson. If you would like to support this school in tangible ways, please contact Nancy Andrews at [nma0626@tds.net](mailto:nma0626@tds.net), or Pastor Eric.

We are also continuing our Father's Heart Ministry this year. We never know where the Lord will lead with this ministry. We have partnered with the guidance office to assist with immediate needs of the families at Dodson. This could be anything from financial assistance to food to school supplies and everything in between. Our desire is that through the meeting of physical needs we can connect with the family to share the gospel and the love of Christ and develop ongoing relationships. Please be praying for God's wisdom, discernment, and guidance as we minister to the families at Dodson.

## **Pregnancy Care Center**

**By Desha Hearn**

Great things are happening every day at the PCC! We're seeing individual lives and generations impacted by God's grace. Already in 2018 hundreds of individuals have been impacted by this work through nearly 500 visits to the Center including 87 first time visitors. So far 33 babies have been born to women we've worked with this year. Since opening in 2009 over 1,000 men, women, and children have received compassion, hope, and help by the caring staff and volunteers at the Center. Over 425 precious baby boys and girls have been born to mothers we've served, and moms and dads have participated in over 4,000 parenting classes!

We recently added a new staff member, Rachel Armstrong. She will be our full-time Client Services Director.

Join us for our annual Walk for Life as we enjoy a fun morning together to raise funds for the Pregnancy Care Center! The money you raise directly impacts local moms, dads, babies, and students. Come rain or shine! We'll use the walking track in the gymnasium in the event of heavy rain. You will receive a free t-shirt if you raise \$150 or more. The course is a flat two miles. Bring the whole family (no pets, please). If you cannot join us, you can walk on your own.

Thank you for helping to make this work possible through your prayers and support!

# Rescue 1 Global

By Jo Lena Corkern

Tulip Grove Baptist Church's decision to partner with Rescue 1 Global earlier this year began with an immediate need for a survivor and her 18-month old son. They were transitioning out of a safe-house environment into their own apartment. She needed everything. We sent out an urgent request for diapers, baby wipes, food, small TV, warm clothes, shoes, rugs, blankets, furniture, etc. We delivered a trunk load of supplies and food. What a blessing! Our Rescue 1 Global (R1G) direct contact sent us a picture of the little boy sitting on the donations (with his face concealed for security purposes). The survivor and her son were so grateful!

A new house-parent is in place at Grace Oasis, and they can now begin to admit young female survivors. As you can imagine, taking care of girls 12-17 and sometimes adult females, the physical needs are great. If we can help with the physical needs then R1G can concentrate on the healing and restoring. It is R1G's goal to present each new survivor with full-size toiletries when they are brought to the Safe House. "This is your new home" is one of the first messages they strive to portray.

The MATH Class (Ben Clark's Class) held a donation drive the first of May. They collected shampoo, body wash, toothbrushes, feminine products, paper products, cleaning supplies, laundry detergent, and cash.

The MATH Class will also consider becoming a One/1000 donor later in the year. Being a One/1000 donor answers a need to support a survivor at \$50 a month. It can be a year commitment or indefinitely. The Friendship Class and Joshua 1:9 Class have already committed to the One/1000 program. The Audrain/Gables Class is considering it as a future class project as well.

A few weeks ago, we were alerted that a rescue was in progress. We were asked first to pray and then to help with an immediate need for additional groceries to feed the survivor for a week. On behalf of our TGBC Fighting Human Trafficking Team, Kevin and I responded with a trip to Kroger. We purchased everything on the list and some extra's that we used to buy when our girls were home. It was a blessing for us, but most of all TGBC answered the need.

We are so blessed to be part of a loving and generous congregation. Thank you for your generous donations and prayers. Together we can make an impact in this fight to end modern-day slavery.

## WAYS YOU CAN HELP

- **Like our Facebook page** "Human Trafficking Ministry Team" to stay updated.
- **Gift Cards** – Gift cards of any amount to Target, Walmart, Kroger, Starbucks, Dunkin Donuts, etc. Place them in an envelope labeled with Jo Lena Corkern for Rescue 1 Global and leave them in the church office.
- **Monetary donations** - Checks made out to Rescue 1 Global may be mailed to Rescue 1 Global, 6688 Nolensville Road, Suite 108/167, Brentwood, TN 37027. Monetary donations are tax deductible.
- **One/1000** - Contact me at [jolenacorkern@gmail.com](mailto:jolenacorkern@gmail.com) or visit [www.Rescue1global.org](http://www.Rescue1global.org) for details.
- **Kroger Community Rewards** - Assign Rescue 1 Global as your Reward Organization. A percentage of your purchases will go to the organization of your choice.
- **Amazon Smile** - This works much like the Kroger Rewards above. Log into Amazon and assign Rescue 1 Global as your Reward Organization. A percentage of your purchases will go to the organization of your choice.
- **Volunteer opportunities:**
  - Grant Research and Writing (*ongoing urgent need*).
  - Groups to clean the house and office on a regular rotation basis.
  - Groups to do landscaping and cleanup.
  - Individuals or small groups to commit to a once a month rotation of craft projects, baking cookies or brownies, game night, etc. (Contact Jo Lena Corkern if you are interested in this volunteer opportunity.)
  - Hair salons for hair cuts
  - Medical Doctors
- **Listen for urgent needs** that are broadcast in the weekly church newsletter or on Facebook.

## Room in the Inn

By Janet Konig

The Room in the Inn 2018-2019 season will begin on Monday, November 5th. We are excited to have most of our coordinators returning with the addition of some new ones.

Starting in September we will begin collection of McDonald's gift cards for the men which will provide them an extra meal and protection during the winter months. Also, I will start sign-ups of our Sunday School classes for meal preparations.

Please pray how you can be a part of this most rewarding ministry of giving to those less fortunate than us. We look forward to blessing and being blessed in return.

## Summer College Mission Trip to Clearwater Beach

By Katie Darden

It was an incredible summer in Clearwater Beach, FL! For nine weeks I got the awesome opportunity to partner with a college ministry called Cru and share the love of Christ alongside 28 other college students and 16 staff.

We jumped right into the community by getting jobs and starting to build relationships with co-workers. To reach our new friends, my team hosted community events every Saturday and weekly lessons every Monday. We also spent our Tuesdays doing beach evangelism and outreach. This looked different each week. Sometimes it consisted of initiating spiritual conversations using one of Cru's evangelism tools. Other times it was as simple as asking people to play a game of beach volleyball with us or handing out a can of soda to any beachgoer who was willing to answer a spiritual question.

Meeting and ministering to locals and those visiting this cool little town was an awesome yet challenging experience. Clearwater is a spiritually dark place, but through the opportunities God placed in our paths, we had ten people accept Christ this summer! For many of them, this was the first time they had experienced Christian community. It was amazing to see how much of an impact that had on them as well as the non-believers we met this summer.

This trip was also a time of spiritual growth for every student involved. The Lord did a lot of work on my heart through Bible study, discipleship, and fellowship. I feel very blessed that I got to grow with God in such a beautiful place this summer.

Thank you for the financial support, every encouraging word, and each prayer lifted up for me and my team this summer!

## Summer College Mission Trip to Japan

By Grace Gilispie

Full. When asked to describe my summer in one word, this was my answer. Full. Full of new cultures, new smells, new foods. Full of new friends, new habits, a new language. Full of exhaustion. Full of laughter. Full of God's favor, of His grace, of watching Him work in me and through me in new ways.

This summer, I had the opportunity to serve in Nagoya, Japan for 8 weeks with the International Mission Board. Our main ministry consisted of meeting college students and inviting them to events throughout the week where we would share the gospel. This looked different each day. Some campuses were new to the long-term Nagoya team, so we would scout and prayer walk. On other campuses, we would go to the cafeteria and eat lunch while trying to engage students in conversation. Two days a week, we were volunteers at a local university in their global learning plaza. As staff members, we aided students by practicing conversational English skills with them.

After meeting new students, we would invite them to events throughout the week such as English club and ultimate frisbee games where we would share the gospel. From those conversations, we would set up lunch, dinner, or coffee meet-ups to talk more in depth about the gospel. We also met people by doing street English practice. The Lord was so faithful to bring us people of peace who craved more out of life, seeking a Savior they were waiting to hear about.

As college students, we have a unique time period, specially carved out, that we can dedicate to the Lord. Through the past two summers (Italy 2017 and Japan 2018), the Lord has drawn me closer to Him, allowed me to work alongside of and learn from fellow believers, and used me in ways I could never have imagined. If you are a college student, I encourage you to pray about giving next summer to missions!

# Summer Medical Mission Trip to Ecuador

By Daniel Mathis

This summer, my wife Kristi and I joined a team who travelled to the rural village of Calshi, Ecuador to share the love of Jesus with Quechua Indians. Every day our team would drive up the mountain to set up a clinic in a church facility where we had the opportunity to serve more than 1,300 patients, hand out more than 2,000 prescriptions, and give out 375 pairs of eye glasses in four days. Nevertheless, this trip to Ecuador was much more than the numbers.

My only prior medical mission experience came without an evangelical focus, and I will admit that I struggled with the feeling of futility. The feeling that indigenous people's lives were not likely altered by the month supply of vitamins, ibuprofen, or parasite medication I might give them. However, from the first team devotion we were encouraged to look for "God sightings" – experiences of seeing God's hand at work in our encounters with these people.

The first day, I was able to listen to a Compassion child tell us about losing her father and remind her that she had a Father in heaven who loved her and would always be with her. My wife had the opportunity to work with a woman who was suffering from an acute infection due to a home-remedy abortion, listen to the shame she had, and proclaim to her that God unconditionally loves and forgives her.

The "God sightings" of the team were abounding, and in every situation, we were able to be a part of a sovereign plan simply by empathetic listening, faithful service, and speaking truth into individual lives. Moreover, only when we rest in the unconditional love Christ showed to us are we able to go share that love in our Jerusalem, in our Judea and Samaria, and to the ends of the earth.

## Youth on Mission

By Trevor Morris

With the arrival of our new student pastor, the Student Mission Ministry team has worked to transition our commitment to missions in the communities surrounding Tulip Grove.

The student ministry had a weekend filled with discipleship and missions March 24-26. Saturday they visited homes in the Caleb Chase and Plantation Walk communities. The students were split into several teams and scattered throughout the communities pulling weeds, trimming shrubs, picking up trash, cleaning leaves, and spending time with the families in the homes. We also sent out teams to take fruit to the homebound, visited multiple nursing homes where the students played games with the residents, and performed cleanup work at the Missions Mobilization Center. During this weekend the student ministry built some relationships that led to other requests. The student pastor put together a mission team of six students that showed interest in performing additional mission work. At different times throughout the spring and summer they were able to perform work for several families as a result of the contacts made during this weekend.

The student ministry leaders performed some mission training July 18 in preparation for Youth VBS where the training would be put into practice. VBS took place July 22-26, and many acts of kindness, encouragement, prayer, and gospel presentations were given throughout the week.

Several of our youth and youth workers went to serve at the Men of Valor Family Day August 4. The church family donated many items such as school supplies, back packs, bibles, and desserts which were delivered on this day. The Men of Valor staff and families were very appreciative of the items received. Several games were played, and it was a great time of fellowship with the men and their families.

## Women On Mission Sisters

By Renee Mathis

Someone asked me recently "What is Women on Mission?" Here is WMU's answer to that question... "Women on Mission groups provide a relational and dynamic way for women to grow in Christ and answer His call to make disciples. Through Bible study, prayer devotionals, missions projects and outreach, each meeting offers opportunities and resources to be involved with missions in our everyday lives. Whether it's following social media, reading a blog, asking some friends to volunteer together once a month or even purchasing fair-trade products to help fight human trafficking and poverty — there is something for everyone in Women on Mission."

As WMU Director, my answer to that question is that Women on Mission is the missions organization of WMU for women 18 and older along with Mission Friends for preschoolers, Girls in Action for 1-6 grade girls, Royal Ambassadors for 1-6 grade boys, and Youth on Mission for teenagers. In scripture Jesus gives us a few direct commands. Two of them are in Matt. 22: 37-39 "LOVE the Lord your God with all your heart and with all your soul and with all your mind" and "LOVE your neighbor as yourself." In Matt. 28:19-20 He commands us to "GO and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you..." These commands define missions and Women on Mission. It doesn't matter whether you go across the street or around the world as long as you GO where ever He calls you to go!

WoM Sisters is a new evening group for women to provide an evening WoM option in addition to our well-established daytime WoM Celebrators group. You are welcome to attend both if you just can't get enough missions! We will meet the first Tuesday night each month 6:30-8pm. The first kick off meeting is Sept. 4 in the youth basement with subsequent meetings in homes. Desserts are provided!

While I am the coordinator for WoM Sisters, Amy Austin will be facilitating the meetings. Her heart for WoM Sisters is "to create a multigenerational bond where doing life together for His kingdom is our desire as we live out His mission!" Come join us as we strive to develop the missional lifestyle that Christ commands us to live.

## Women On Mission Celebrators

By Charlotte Maynard

We are looking forward to resuming our WoM Celebrators meetings the second Monday each month at 10am! Our first meeting this fall is Sept. 10. We will be trying out a new room - Room 100 - to see if that adequately meets our needs of having more space and being able to have more room to fellowship.

We hope you can join us and learn more about how we as women can be on mission for the Lord in so many different ways.

## Homebound Ministry

By Charlotte Maynard

We have added several new members to our team since our last newsletter, and we are excited about all the outreach being done. We have made available cards and stamps along with a list of our homebound members to each member of our ministry team. We look forward to blessing each homebound member in the coming year.

Please watch for our next meeting date in September and join us as we not only bless others, but we in turn receive a blessing.

## Hats and Mats Ministry

By Charlotte Maynard

All summer we have been working on hats for the Kentucky Mission Team going out in October. We have added two new sources to our list for those who are to receive hats. They are the Rescue One Global Ministry for victims of human trafficking and also people to whom the "Love on the Homeless" team ministers. Pregnancy Care Center, Room in the Inn, cancer patients at Vanderbilt Children's Hospital, and other missions are just a few of those to whom we have been blessed to donate. Baby blankets are being made and donated to Pregnancy Care Center.

We were blessed tremendously a few months ago by a HUGE yarn donation from Kathy and Hermes (friends of Kathy Fields). The picture to the left is only about a third of the yarn donated. We are so very thankful for them and their generosity. Many hats and blankets will be made from this donation!

Our mat ministry needs more people to come and help with crocheting. Please consider joining us the third Monday of each month. Watch the bulletin for details.

# Mission Friends

By Linda Sharp

Mission Friends began this year on August 8. We are happy to have the following teachers serving with us: Amy Wilson and Judy Estes in the 3-year-old class, Shelly Hooter and Jane Scott in the 4-year-old class, Mimi Fisher and Lola Ethridge in the 5-year old class, Kay Bontrager as Assistant, and Linda Sharp as Director.

- August 8: We spent time getting to know each other and introduced ourselves with paper doll puppets.
- August 15: David Shirey came to share with us about his past trip (and his upcoming trip in November) to Suriname. He brought items to share with the children and told stories about his experiences there. David also talked with the children about what a missionary is and how they go out to tell others about Jesus. This was a great introduction to our program.
- August 22: We made a craft for the children to take home to remind them to "Go out and Tell".
- August 29: We heard from Grace Gillispie about her summer mission trip to Japan.

## Girls in Action (GA) and Royal Ambassadors (RA)

**JAM 2018: Missions Grand Prix – Racing to Make Christ Known**  
Saturday, September 29 at Victory Baptist Church, Mt. Juliet

*"My only goal is to finish the race. I want to complete the work the Lord Jesus has given me. He wants me to tell others about the good news of God's grace."*  
– Acts 20:24 (NIRV)

JAM is an exciting one-day missions event for children in grades 1-6 and children's leaders. Children will experience a time of worship and hands-on missions opportunities while meeting missionaries and learning what it means to love Jesus and share His love with others!

For more information about the event, to see the schedule, or to get information about the ministry project, go to <http://www.tnbaptist.org/middle-jam>.

## WorldCrafts

WorldCrafts is a division of WMU that enables missionaries to develop sustainable, fair-trade businesses among impoverished people around the world. This ministry allows missionaries to go into areas that they may not otherwise be allowed to go to share the gospel of Christ. Their vision is to offer an income with dignity and the hope of everlasting life to every person on earth.

WMU only starts three new WorldCrafts artisan groups each year worldwide, and this year one of the WorldCrafts groups started right here in Nashville at Begin Anew! Our church has supported Begin Anew since it started in 1997 as Christian Women's Job Corps to provide job training to impoverished women (and now also to men) in middle TN. We recently had a WorldCrafts party in conjunction with our Ladies' Mini Retreat. If you missed the mini retreat, you can still purchase WorldCrafts items online at [www.worldcrafts.org](http://www.worldcrafts.org), and through Sept. 15 you can use code TGBC for 20% to benefit Begin Anew.

We are already making plans to have WorldCrafts available at the Ladies' Fall Retreat Oct. 19-21. For more information, contact Renee Mathis.
