ANNIE ARMSTRONG EASTER OFFERING®

FOR NORTH AMERICAN MISSIONS

"For I passed on to you as most important what I also received: that Christ died for our sins according to the Scriptures, that He was buried, that He was raised on the third day according to the Scriptures..."
1 Corinthians 15:3-4, CSB

It's All About the Gospel...

No matter where you are or what you do, as a Christian, the priority is the gospel. That's why you send thousands of missionaries across the U.S. and Canada to share Christ with those who have no hope.

With over **273 million people in North America who don't know Jesus**, the need for praying, giving and going is still great. The mission is far from finished.

363 million people in North America
350 languages and more than a dozen religions

In 1934 The Home Missions Offering was re-named the Annie Armstrong Easter Offering to encourage more to follow Annie Armstrong's sacrificial example.

Today, over \$1 billion has been given through the Annie Armstrong Easter Offering®. All gifts—100%—support thousands of missionaries in church planting and compassion ministries across the U.S. and Canada.

The Week of Prayer for North American Missions is March 1-8. Look for your prayer guide in the church bulletins and offering envelopes in the pews.

Dodson Elementary

By Nancy Andrews

Good News Club has been growing like wildflowers this year at Dodson Elementary. We have more than doubled our registrations this year with eight new children in January alone! We now have 26 children registered at the club and had 24 in attendance at our last meeting. Each week these children hear a Bible story (we have been sharing the story of Esther this six-weeks), sing songs, learn a memory verse, play fun games, and most importantly they clearly hear the gospel and are given a time to respond. Many thanks to our faithful volunteers who show up each week to show the love of Christ to these precious children.

Through this ministry, we have also been able to meet and form relationships with family members and have been able to provide practical assistance when needed. We have also formed good working relationships with the school administration and have had opportunities to reach out to families in crisis through our **Father's Heart Ministry**, such as providing a box of food from the food pantry along with restaurant gift cards to a family of seven living in a hotel.

There are other opportunities to serve the school. TCAP exams will be the last half of April through the first week of May. The school is in need of volunteer proctors. **Please contact Nancy Andrews or Eric Boswell if you would be interested in serving as a proctor**, and we will put you in touch with the school to get signed up.

Some Sunday School classes have donated children's coats this winter and are now providing children's underwear sizes 4-8. **If your class or group would like to provide coffee and snacks to the teacher workroom, provide basic supplies, or donate items needed by students, please contact Eric Boswell or Nancy Andrews for more information.**

Upcoming Mission Trips

By David Shirey

We will be traveling to **Colombia** in South America May 22-31 to work with Colombia Grace Foundation. They are an orphanage in the northern area of Colombia close to Cartagena. We will be working with the children, teaching in the church, and building up the body. We currently have 13 people interested. If you have any interest please contact the church office.

July 17-26 we will again be traveling to South America, but this time to the country of **Suriname**. We will be teaching the gospel through the book of Luke. We will be joining up to three other teams who are doing eye and dental clinics. If you have an interest, please contact Ryan Anderson.

In the fall we will have our first trip to **Spain** where we will get to love on missionaries from other countries. This will include working with their children and leading in worship and teaching. If you are interested in participating in this trip please contact the church office.

Let's Learn English Together

By Carmen McCreary

We just started a new semester and are growing! We are so excited to share that we are now offering five classes to our neighbors here in Hermitage. Our new teachers this semester are Rob and Marcy Brizuela, Tammy Jones, and Janice LaRoy. We are very excited for TGBC to be part of this ministry. Please pray for continued student success and attendance.

This semester we are intentionally **adding phonics and culture tips** in conjunction with the student's level of their English class. We end the class with our **Bible verse of the month and prayer**. We are starting to add **Bible stories** during this time as well. Thank you WoM Daughters of the King for refreshments during our time with our students and for keeping us in your prayers.

If you are interested in joining us, an individual language exchange partnership, or becoming a pen pal, **please email carmen@esltulipgrove.org to see how we can plug you in.**

Room in the Inn

By Janet Konig

The Room in the Inn Ministry will be completing this winter season February 24. This has been a shortened season for us, having our guests only in January and February. Despite the loss of many of our volunteers, we have been blessed to welcome many new first timers to help with this ministry. As always, we are so grateful for the return of those who have been so faithful over the years. The Lord blesses when His work is being done.

We have had the most appreciative guests this year, which is heartwarming, knowing that you are doing something to help those in need.

Each week we provide Bibles for the men to take if they desire, and this season our guests have taken more than in seasons past. God's Word will not return void!

Thank you to all those praying, providing meals, setting up, driving buses, staying overnight, and for your amazing support and love.

In His Grip

By Joey Hickman

In 2019, our goal for the year for all of our groups to be in the Word was 100,000 minutes. **We reached 111, 280 all to the Glory of God!**

2020 began with a **30/30 challenge** where we asked men to commit to the first 30 minutes of the day in God's Word for 30 days. We had 250 sign up for this challenge! With the additional time in the Word added to our current Bible study groups we are currently at 238,780! We have continued into February with another 30/30 and currently have 267 signed up for that!

Our **In His Grip app** is now up and running and can be downloaded to your mobile device at myapp.to/inhisprip. This is a great way to stay connected with all facets of the ministry including events, life groups, daily devotions, memberships, pro shop and subscription to In His Grip TV.

We are now **expanding our life groups** to include all of Tennessee and parts of Western Kentucky and North Alabama. I will be traveling the state to begin new groups in these areas and ask for your prayers to lead us. Most travel will be down and back in one day to keep from overnights away from family.

We have begun in several new locations in Middle Tennessee with the most recent at **The Grove**, located between Franklin and Murfreesboro as well as **Old Natchez CC** in Franklin and **Tennessee Grasslands** in Gallatin. We will have 13 locations in April when the season kicks off for most. Currently we have eight groups that have kept meeting through the winter!

Pregnancy Care Center

By Lisa Cathcart, PCC Executive Director

In 2019, mothers to whom the Pregnancy Care Center (PCC) ministered chose life and gave birth to **73 babies**. Our staff and volunteers have loved and served individuals through **1,065 visits** and **1,420 phone calls, emails and texts!** Since opening in 2009, we have celebrated the births of **541 babies** and directly touched the lives of **1,795 mothers, fathers, and children** through over **7,000 visits!**

We ask that you would **pray for us regularly**. Please pray that those who enter our doors would encounter the unfailing love and hope that only our Savior can give. Pray for us, that we would be full of His grace and wisdom as we care for them.

When you give to PCC, you are giving the gift of life! A gift of **\$100** provides two months of pregnancy test supplies. A gift of **\$250** provides one 2-day SRA presentation in a high school. A gift of **\$500** provides one day of ultrasound services. A gift of **\$1,200** provides one month's online outreach, our #1 source of referrals. On average it costs \$24 per person who contacts the center directly though our online ads.

Thank you to everyone who participated in the **Pregnancy Care Center Baby Bottle Campaign**. If you would like to know more about other ways you can support the PCC, visit our website at pregnancycentertn.com/support/. As always, we covet your prayers for the PCC staff, volunteers, and clients to whom we minister. **Please Save the Date for our PCC Annual Banquet May 7, 2020!**

WoM Sisters
December
cooking group
with Rest Stop
Ministries

WoM Sisters' RSM cooking group cooked with the ladies at **Rest Stop Ministries** in December to make pork loin, macaroni and cheese, pineapple casserole, broccolini, and salad. We also provided cookbooks and art supplies for RSM and a gift bag for each resident with cooking supplies, personal items, and a *Jesus Calling* devotional. The ladies were so grateful!

The January WoM Sisters meeting was at the home of Brenda Sutherland with speaker Dr. April Jones, author of **No Mess, No Message: Finding Strength in Struggle and Purpose in Pain**. We especially enjoyed hearing about her 18-year-old son who has been an amputee cancer survivor since he was two years old and is now an extremely vibrant, active young man who encourages other children with cancer.

In February, WoM Sisters met at **Begin Anew's Madison campus** to provide a Valentine's Party for the children of the men and women taking classes to improve their skills and find better jobs. We had a blast providing Chick-fil-A kids meals and playing games with the eight children who were there. This will definitely be a repeat project!

For our March 3 meeting, WoM Sisters will be at Mary Lamon's house 6:30-8PM in Hermitage. Please RSVP to Mary by Sunday March 1. Our guest speaker will be Laryssa Schepel from **The Next Door**. "The Next Door provides a continuum of evidence-based substance abuse and mental health services for women in an environment of faith and healing to restore hope and a lifetime of recovery. We are a compassionate, faith-centered community, offering treatment options including Medically-Monitored Detox, Residential Treatment, Partial Hospitalization, Intensive Outpatient Program, and Outpatient Program." Since 2012 they have distributed more than 160,000 *Jesus Calling* devotionals to incarcerated men and women as part of this program. (See thenextdoor.org.)

At our April 7 meeting, Nancy Andrews will share about TGBC's work with the **Good News Club and Father's Heart Ministry at Dodson Elementary**.

Women on Mission is for all women 18 and up. **Join us the first Tuesday night each month 6:30-8pm** as WoM Sisters create multigenerational bonds where doing life together for His kingdom is our desire as we live out His mission!

Women on Mission Daughters of the King

By Charlotte Maynard

Our WoM Daughters of the King daytime group donated 46 backpacks that were filled by WoM Sisters and RA and GA families for the **Christmas Backpack Ministry**. Families were truly blessed who took part in selecting a backpack and providing all the supplies that filled each one. A special thanks to all who took part in this project especially Eric Boswell and Linda Sharp who kept it all under control and got so many families involved in helping. In 2019, 5,422 churches came together to collect and distribute 81,333 Christmas Backpacks. As the good news of Christ was shared, 2,465 persons prayed to receive Christ.

Thanks so much for the over 100 Bibles and New Testaments that were collected to be donated to the **Veterans**. Barbara Shrader delivered them to the Veterans in Donelson. They were so excited about such a large outpouring of love.

Eleven WoM volunteer workers went to the **NBA Toy Store** in December to give of their time and talents. We were so blessed as we helped individuals select items for their families for Christmas. Kay Bontrager and Linda Wolden shared the gospel with shoppers in the chapel. During the week, 232 families were served through the Toy Store ministry, and **six people made a decision for Christ!** Jack's BBQ catered lunch for the workers at the NBA Toy Store compliments of WoM Daughters of the King.

Our WoM group collected over 78 pairs of mittens and gloves and donated them to the **Good News Club** after Nancy Andrews spoke and gave us an update during our December meeting. More and more students are coming to attend GNC. The Lord is working mightily!

In January, Carmen McCreary came to inform us about **Baptist Global Response** (New Year—New Ewe) and **English as a Second Language**. Our ladies donated \$309 for BGR, enough to purchase a sheep. Thanks ladies!

Mark your calendars for the second Monday of the month and join us in Room 100 at 10 a.m. We'd love for YOU to be on mission for the Lord with us!

Craft Ministry

By Charlotte Maynard

Our Craft Ministry ladies are hard-working ladies! We welcome Karen Juday who joined our craft ministry. She will be a great asset! We have branched out in so many different areas that the Lord has led us to go.

- Adult bibs have been made for the Memory Care Unit at **Charter Senior Living**.
- Over 125 hats were made for the **Life Recovery Center** right before Christmas. They were so very appreciative and sent us two BIG thank you cards.
- Baby blankets were made for our **TGBC Mother's Day Out** expectant moms.
- Hats, ear warmers, and scarves were made for **Vanderbilt Children's Hospital** cancer patients, the **Veterans Hospital** and also the **Veterans who meet in Donelson**.
- Drain bags, heart shaped pillows, and hats were made and donated to the ladies being treated at the **Sarah Canon Cancer Center**.
- Hats were donated to needy students at **Dodson Elementary**.

God keeps opening doors for this ministry, and it is such a blessing to see what He has in store for us each month.

Bring your craft and come join us the third Monday of each month in Room 223 10am–2pm. If you would like to learn how to do any of the above crafts, come and we will teach you.

Homebound Ministry

By Charlotte Maynard

Our Homebound Ministry Team added some new members the past few months. We welcome Christie Alexander, Jean Gant, Stacy Cummins, and Robert Higgins. These members along with others send cards, make phone calls, and visit those in our Homebound Ministry.

Our WoM Sisters group sent encouraging cards to our homebound members as their January missions project. Thank you also to Donna and Bill Davis' first grade Sunday School class who made cards for all of our homebound members.

Those on the list are so very appreciative of the time and effort taken by this team. What a blessing it is to be able to brighten someone's day by doing such a small thing. **Please join us....we need YOU! We will meet March 29 in the Conference Room at 5pm.**

Mission Friends

By Linda Sharp

Mission Friends **celebrated Jesus' birthday in December** with a Christmas party that included fun games with Kathy Burgess and yummy homemade treats from Jane Scott.

In January we learned about **missionaries working in Florida with the One More Child program**, which focuses on foster care.

In February we learned about **missionaries working in Cambodia**. We also had a visit from Kathy Rodgers to tell us about her recent **mission trip to Dominica**. The teachers also had a fun **Valentine's party** for the preschoolers.

March will focus on **Cowboy Churches**. We look forward to lots of fun with this unit as well as a "field trip" to the church library, where Pam Darnell will read us stories about Cowboys.

Girls in Action and Royal Ambassadors

By Kathy Fields

In January our GAs and RAs studied about **One More Child**, a ministry started by the Florida Baptist Children's Home. Ann Rodda and her daughter-in-law Chrissy Rodda came to share with us about their personal experiences with the Florida Baptist Children's Home. Ann's mother was raised there, and Chrissy was raised with two foster brothers from there. The Children's Home, like our Tennessee Baptist Children's Home, has moved away from institutionalizing children to more effectively finding loving foster families and loving parents of group homes. One More Child not only cares for the children but supports single moms and foster families with childcare, training, diapers, and many other great programs. They have extensions across the U.S. and several other countries.

In February we made Valentines for our church staff and studied about **Cambodia** and our missions work there. Ann Davis, Kathy Fields' mom, spoke to the GAs and RAs February 19 about her and her husband Don's mission trip to Cambodia in 2000.

We look forward to March and April when we will be learning about all the ways we are reaching people for Jesus around the U.S. and North America through the **North American Missions Emphasis** and **Annie Armstrong Easter Offering**.

Church Plant Update: Grace Story

By David Shirey

Currently we have six families who are working with Grace Story Church in Donelson through the end of March. They are attending Sundays at 4pm to encourage their fellowship and worship with them. They will also be helping with an event to promote the spread of the gospel in their area. If you are interested in attending one evening, they meet at Lincoya Hills Baptist Church on McGavock Pike at 4pm. The following letter is from Grace Story's pastor, Ryan Coatney.

Dear Tulip Grove,

First of all, thank you for your continued support of Grace Story Church. God continues to meet our needs, and we are thankful for the calling he has set before us in Donelson.

As you know, Donelson is rapidly growing and changing with more than 1,400 new households moving into 37214 each year.

We have just launched children's ministry, using the Cross Formed Kids curriculum. We've also seen amazing fruit from our discipleship approach called Story Groups.

One of the most exciting stats that we track at our church is intentional relationships. We do that because we believe that God alone can bring fruit, and God alone can open doors for evangelistic conversations.

However, we can be faithful in pursuing relationships with an evangelistic focus. That's exactly what we mean by "intentional relationships." Right now each person in our church averages 1.3 intentional relationships! We are trusting that our continued pursuit of the lost will lead to much kingdom fruit.

Finally, I can't tell you how thankful I am for the foundation God seems to be laying in our church. This is a body of people who are growing in their love for God, His Word, and one another.

*Thanks again for your continued support!
Peace in Christ,
Ryan Coatney ("Coat")*

Mission Trip to Dominica

By Pastor Gerald

The team (**Pastor, Kay, Kathy Rodgers, Robin Schutt, Dan Gant, Malcolm Helton, and Doug Morrison**) traveled from Nashville to Atlanta to San Juan to St. Maarten to Dominica on Friday, January 24. It was a LONG day of travel, but we rejoiced because we made every flight, and when we arrived in Dominica, so did our luggage and supplies!

Pastor Asha met us at the airport, loaded all our luggage and supplies, and drove us to the mission house in LaPlaine a little over an hour from the airport. If you've ever been on a rollercoaster, that pretty much sums up our ride to the mission house!

After a restless night from being so tired and from the loud music blaring from the local bar which was less than thirty yards from the mission house, we had breakfast, devotion and began to plan the day of work.

We had four main objectives for the trip:

- 1) Build a huge deck onto the church so they can use it for outreach and fellowship.
- 2) Build relationships with the men and women of the church.
- 3) Build relationships with the residents in the village of LaPlaine.
- 4) Provide evangelism training in the evening.

I'm happy to report that **all objectives were met!** The deck was finished Wednesday early afternoon. Our men worked alongside the men from the church and built great relationships. The women also built relationships with the women of the church. We continue to stay in touch with the men and women of LaPlaine Baptist.

The third objective, building relationships with the residents of the village, was met as well. We invited everyone who walked by the church on Saturday to come to the **community dinner** we prepared Sunday evening. During the dinner, men and women of the community walked by, and we went out into the street and invited them to eat with us. At the conclusion of the meal, I shared the gospel with everyone. Three people indicated their need for Christ. Pastor Asha is following up with all three!

The fourth objective was accomplished during the evenings at the mission house. People from the church would come by, and we took time to **train them on how to use the EvangeCube to share the gospel.**

On behalf of the team, who served with excellence and great joy, I want to say "Thank You" for praying for us. "Thank You" also for your investment in giving money to our church to send teams to be on mission for the gospel.

LaPlaine Baptist Church is the only church that has rebuilt since Hurricane Maria. The church is the bright light amidst great darkness. Please continue to pray for Pastor Asha and LaPlaine Baptist. By the way, Pastor Asha is not receiving a salary from the church and is dependent totally upon the Lord to supply his needs.

I encourage you to go when we plan the next trip!

Vision Trip to Spain

By David Shirey

Our vision trip to Spain was excellent. **Trevor Morris, Andy Sutherland and David Shirey spent five days with the workers in the country learning how we can engage the lost with the gospel.** We hope to have two trips this year with more to follow.

We also were part of a Bible study where we witnessed two Muslims come to faith. This is a very rare occurrence in this part of the world. We also heard another Muslim background believer (MBB) share his testimony of how he came to faith.
